

# Add TireHub

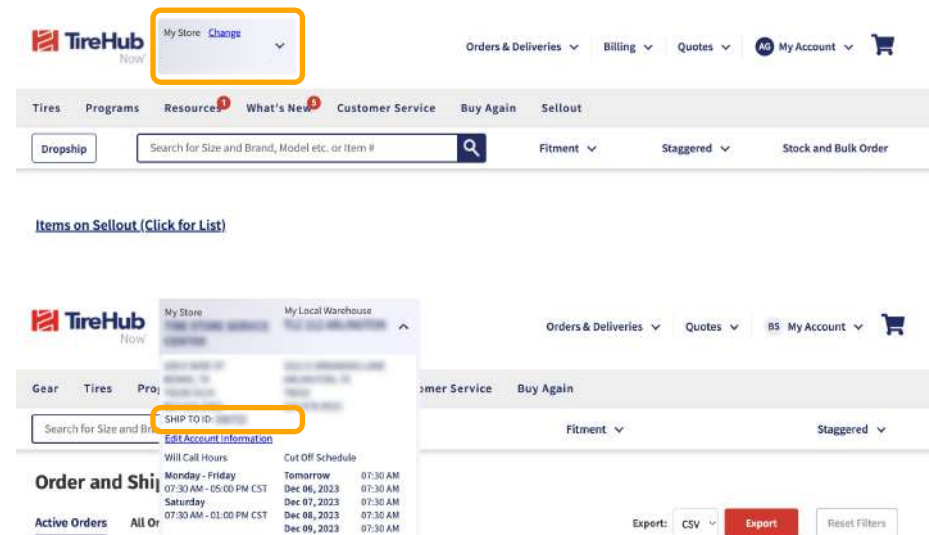

To configure a new oToGrip Supplier, you only need to have your **TireHub Ship to ID** which is available on TireHub Portal. If you have an account or you've finished creating one, you can follow the steps to get your Ship-To-ID:

- 1 Log in to your TireHub account using this link <https://now.tirehub.com/>

- 2 On the left upper corner on your screen, click on "My Stores" to view your account information and to get your SHIP TO ID number

# Add TireHub

- 3 Add a nickname to easily identify the Tire Supplier Account you are using, then fill in the **SHIP TO ID** information in the add supplier form and Click on Submit.
